

## MODIFICATION ON OMR ANSWER SHEETS

The Commission has decided to use modified OMR Answer Sheets for Objective Type Test (OMR Valuation) from 04/6/2014.

Following are the modifications carried out on OMR Answer Sheets.

- (1) The space between columns in the grid of bubbles for darkening register number is increased.
- (2) Grid of bubbles for darkening date of birth is removed.
- (3) Blank alpha code bubbles are removed (In 'A' coded sheets blank alpha code bubbles (B), (C), (D) are removed, in 'B' alpha coded sheets blank alpha code bubbles (A), (C), (D) are removed,.....)
- (4) Notches in 'V' shape are given at the edges, where 'A' part & 'B' part of the sheets are to be separated.
- (5) Instructions in English and in Malayalam are given on the other side of the sheet.
