

PROVISIONAL ANSWER KEY

Question 122/2025/OL

Paper Code:

Category 192/2404

Code:

Exam: Divisional Accounts Officer (Cat. No. 192/2024) Paper IV

Date of Test 31-10-2025

Department Kerala State Electricity Board Ltd

Question1:-As per the Electricity Act 2003, which of the following can't be considered as 'Electricity'?

A:-Electrical energy used for transmission of a message

B:-Electrical energy generated for any purpose

C:-Electrical energy supplied for any purpose

D:-Electrical energy traded for any purpose

Correct Answer:- Option-A

Question2:-The operation whereby the distribution system of a distribution licensee are used by another person for conveyance of electricity on payment of charges

A:-Wheeling

B:-Open access

C:-Trading

D:-Franchisee

Correct Answer:- Option-A

Question3:-The Central Government prepares the National Electricity Policy in consultation with

A:-Central Electricity Authority

B:-State Governments

C:-Both 1 and 2 above

D:-None of the above

Correct Answer:- Option-C

Question4:-Which of the following function does not require a license from a competent authority?

A:-Generation of electricity

B:-Transmission of electricity

C:-Trading of electricity

D:-Distribution of electricity

Correct Answer:- Option-A

Question5:-Every person, who maintains a captive generating plant, shall have the

right to _____ for the purposes of carrying electricity from the plant to the destination of his use.

A:-Wheeling

B:-Open access

C:-Transmission

D:-Trading

Correct Answer:- Option-B

Question6:-Central Transmission Utility shall not engage in the business of

A:-Generation of Electricity

B:-Trading in Electricity

C:-Both 1 and 2 above

D:-None of the above

Correct Answer:- Option-C

Question7:-The general time frame given in the Electricity Act, 2003 for providing electric supply to a premises after receiving an application

A:-7 days

B:-15 days

C:-21 days

D:-One month

Correct Answer:- Option-D

Question8:-Before the commencement of use of 415 V electricity for temporary purpose in an exhibition ground, the person shall intimate to

A:-The Electrical Inspector and the Licensee

B:-The District Magistrate and the Electrical Inspector

C:-The Electrical Inspector or the Licensee

D:-The Electrical Inspector or The District Magistrate

Correct Answer:- Option-B

Question9:-While determining tariff, the appropriate commission may differentiate according to

A:-Consumer's load factor

B:-Power factor

C:-Voltage of supply

D:-All of the above

Correct Answer:- Option-D

Question10:-The time period provided to the State Electricity Regulatory Commission for issuing the tariff order after receipt of an application for determination of tariff

A:-50 days

B:-75 days

C:-90 days

D:-120 days

Correct Answer:- Option-D

Question11:-The functions and duties of Central Electricity Authority doesn't include

A:-Specify technical standards for construction of electric lines

B:-Advice the Central Government on the matters related to National Electricity Policy

C:-Issue of Licenses under the Electricity Act, 2003

D:-Specify Grid Standards for operation of transmission lines

Correct Answer:- Option-C

Question12:-The body mandated to regulate inter-state transmission tariff

A:-Appellate Tribunal for Electricity

B:-Central Electricity Regulatory Commission

C:-Power Grid Corporation of India

D:-Central Electricity Authority

Correct Answer:- Option-B

Question13:-The accounts of Central Regulatory Commission are audited by

A:-Reserve Bank

B:-Account General of India

C:-Comptroller and Auditor-General of India

D:-Joint Commission

Correct Answer:- Option-C

Question14:-Appeal to an order of the Appellate Tribunal for Electricity shall be filed before the

A:-Supreme Court

B:-High Courts

C:-Central Electricity Regulatory Commission

D:-Central Government

Correct Answer:- Option-A

Question15:-The rate at which an assessment for unauthorized use of electricity under provisions of the Electricity Act, 2003 is made

A:-1.5 times the tariff applicable

B:-Twice the tariff applicable

C:-2.5 times the tariff applicable

D:-Three times the tariff applicable

Correct Answer:- Option-B

Question16:-As per the Electricity Act 2003, which of the following is treated as 'unauthorised use of electricity'

- A:-Usage of electricity through a tampered meter
- B:-Usage of electricity not authorised by the licensee
- C:-Usage of electricity outside the premises
- D:-All of the above

Correct Answer:- Option-D

Question17:-For placing of an electric line, powers of a telegraph authority as per the Electricity Act, 2003 may be conferred on a licensee by the _____.

- A:-Appropriate Government
- B:-Central Electricity Authority
- C:-Central Electricity Regulatory Commission
- D:-State Electricity Regulatory Commission

Correct Answer:- Option-A

Question18:-Maximum term of imprisonment for punishment of interference with works of licensee as per the Electricity Act, 2003 is _____.

- A:-3 months
- B:-6 months
- C:-1 year
- D:-3 years

Correct Answer:- Option-D

Question19:-For which offences compounding is available according to the Electricity Act, 2003?

- A:-Theft of electricity
- B:-Interference with works of licensee
- C:-Non-compliance of orders
- D:-All the above

Correct Answer:- Option-A

Question20:-Maximum term of imprisonment for punishment of non-compliance of orders made under the Electricity Act, 2003 is _____.

- A:-3 years
- B:-1 year
- C:-6 months
- D:-3 months

Correct Answer:- Option-D

Question21:-As per the Electricity Act, 2003 interference with works of licensee is a _____ offence.

- A:-Cognizable, Bailable

- B:-Cognizable, Non-Bailable
- C:-Non-Cognizable, Bailable
- D:-Non-Cognizable, Non-Bailable

Correct Answer:- Option-B

Question22:-Electricity Supply Code as per the Electricity Act, 2003 is made by _____.

- A:-Central Electricity Authority
- B:-Appropriate Government
- C:-State Electricity Regulatory Commission
- D:-Central Electricity Regulatory Commission

Correct Answer:- Option-C

Question23:-Offence of theft of electricity is triable by _____ per the Electricity Act, 2003.

- A:-Sessions Court
- B:-Special Court
- C:-Court of Chief Judicial Magistrate
- D:-Court of Judicial First Class Magistrate

Correct Answer:- Option-B

Question24:-An Electrical Inspector appointed under Section _____ of the Electricity Act, 2003, may be required to inquire as to the cause of an electrical accident under Section _____ of the said act.

- A:-162 (1), 161 (1)
- B:-162 (1), 161 (2)
- C:-162 (2), 161 (1)
- D:-162 (2), 161 (2)

Correct Answer:- Option-B

Question25:-As per the Electricity Act, 2003, an Electrical inspector required to inquire as to the cause of an electrical accident has all powers of a civil court for _____.

- A:-Issuing decrees
- B:-Compelling production of documents
- C:-Enforcing attendance of witness
- D:-2 and 3

Correct Answer:- Option-D

Question26:-Under the Electricity Act, 2003, report of the Electrical inspector on inquiry as to the cause of an electrical accident, is to be submitted to _____.

- A:-Appropriate Government
- B:-Sub Divisional Magistrate

C:-Station House Officer

D:-All the above

Correct Answer:- Option-A

Question27:-Regulations for various matters under the Electricity Act, 2003 are made by _____.

A:-Central Electricity Authority

B:-Central Electricity Regulatory Commission

C:-State Electricity Regulatory Commission

D:-All the above

Correct Answer:- Option-D

Question28:-Regulations made by the Central Electricity Authority under the Electricity Act, 2003 is to be laid before _____ for a period of _____ days.

A:-Parliament, 15

B:-Parliament, 30

C:-State Legislature, 15

D:-State Legislature, 30

Correct Answer:- Option-B

Question29:-As per the Electricity Act, 2003, in case of a dispute on the question whether working of an electric line affects by induction a communication line, the matter shall be referred to _____.

A:-Electrical Inspector

B:-State Government

C:-Central Government

D:-Central Electricity Authority

Correct Answer:- Option-C

Question30:-Under the Electricity Act, 2003, an appeal from a decision of the Chief Electrical Inspector lies to _____.

A:-Central Electricity Authority

B:-Appropriate Government

C:-Appellate Tribunal for Electricity

D:-District Magistrate

Correct Answer:- Option-B

Question31:-What are the critical obligations of a 'Single Point Supply Consumer' (SPSC) and the distribution licensee for ensuring legal and technical compliance in electricity distribution to sub-consumers within residential complexes in Kerala?

A:-SPSC may fix any tariff for sub-consumers as long as the aggregate bill is paid in full, and is not required to ensure technical metering accuracy for each sub-consumer.

B:-The SPSC must install and maintain metering for each beneficiary, ensure

billing at Commission-specified rates (not exceeding direct supply tariff), allow the licensee access to all individual sub-meters and provide disconnection provisions for each sub-connection.

C:-The licensee is responsible for reading and maintaining all sub-consumer meters; SPSC only has to remit the aggregate bill and keep common network operational.

D:-There is no restriction on profit from re-sale of energy by the SPSC to sub-consumers if the network is privately funded.

Correct Answer:- Option-B

Question32:-An applicant has an existing LT connection and undertakes a major extension and alteration to a three-phase domestic installation, increasing connected load above 10 kW. According to the latest rules and amendments, what formal steps and approval process are required for energisation of this extension?

A:-Only inform the licensee after work completion

B:-Extension can be energised by the contractor directly

C:-Submit test cum completion report from a licensed contractor, get licensee inspection and written approval before energisation

D:-No approvals necessary; self-certification suffices

Correct Answer:- Option-C

Question33:-Regarding transfer of a service connection (including security deposit and arrears) due to a sale or lease of the premises, which procedure and timing must be followed to ensure the licensee will legally transfer the connection to the transferee?

A:-Licensee must transfer automatically when new owner requests

B:-Only a court order can transfer such connections

C:-Payment of a penalty by either party allows transfer

D:-Original consumer must apply at least 1 month in advance, clear all dues or secure transferee's written agreement to take over arrears and both must execute the required agreements; else, the connection is not transferred

Correct Answer:- Option-D

Question34:-A rented commercial premise has a long-term lease and both the building owner and tenant have contributed separate security deposits (Cash Deposit/CD and Additional Cash Deposit/ACD) to the distribution licensee. The lease ends, tenant vacates and supply is disconnected. According to the Code, which action shall the licensee take regarding refund of security deposits and provision for future tenants?

A:-Refund all deposits only to the owner

B:-Forfeit the ACD, refund only the owner's CD

C:-Refund the ACD (and accrued interest) to the tenant, maintain accounts separately and reconnect supply for a new tenant after collecting new deposit

D:-Retain all deposits until challenged in consumer court

Correct Answer:- Option-C

Question35:-A consumer disputes the adequacy of security deposit reviewed during the first quarter of the financial year and the licensee has determined an excess amount is available. What must the licensee do within two billing cycles and what happens if the excess is still pending after that?

A:-Wait for a consumer's written claim before refund

B:-Adjust or refund excess automatically by digital transfer, then pay interest at bank rate for any delay beyond two billing cycles

C:-Forfeit excess to the government treasury

D:-Retain excess until next annual review

Correct Answer:- Option-B

Question36:-A High Tension (HT) consumer applies for the first reduction of contract demand due to initial market constraints. According to original rules and the relevant Removal of Difficulties Order, what is the minimum time after energization at which this application can be considered by the licensee?

A:-After six months from energization

B:-After one year from energization

C:-At any time at consumer's discretion

D:-Never; only load enhancement allowed

Correct Answer:- Option-A

Question37:-A multi-storeyed building (height above 15 m) wants to install all consumer energy meters in a central panel room located at a position different from the standard specified in CEA (Safety) Regulations, 2023. What approvals and procedures must be followed according to the latest Amendment?

A:-Licensee alone can approve deviation from standard location

B:-Any deviation in meter location must be authenticated by the Electrical Inspector and comply with Regulation 136 (2) of CEA (Safety) 2023

C:-Only Building Owner approval required

D:-No deviation is allowed under any circumstances

Correct Answer:- Option-B

Question38:-A consumer's meter is found to be defective during official inspection. According to the most recent mandate, how quickly is the licensee required to replace the defective meter?

A:-Within 7 working days

B:-Immediately

C:-No timeline is mandated; replace on next billing cycle

D:-Within 72 hours from detection of the defect

Correct Answer:- Option-D

Question39:-In the case of a defective Renewable Energy (RE) meter where no historical meter or inverter data are available for the consumer, what is the approved method for the licensee to assess the RE generation for billing?

A:-Metered grid import is used as estimate

B:-Provisional bill with standard load factor for one year

C:-Use the available generation per kW per day for last six months as the basis

D:-Ignore billing until new RE meter is installed

Correct Answer:- Option-C

Question40:-Which one of the following is now an officially recognized method for a domestic consumer to make payment of an electricity bill, as per the latest amendments to the Kerala Electricity Supply Code?

A:-Payment in gold coins

B:-Payment via authorized UPI or online bank transfer

C:-Only payment by cheque in hand at office

D:-Payment by barter of goods

Correct Answer:- Option-B

Question41:-A consumer did not receive their monthly electricity bill within seven days of the bill issue date. What, according to the provisions in the Kerala Electricity Supply Code, 2014, are the consumer's and the licensee's obligations for securing and settling the bill?

A:-Consumer can delay payment without penalty

B:-Must collect a duplicate bill from the billing office and timely payment deadline remains from the original due date

C:-Licensee must waive all penalty for late payment

D:-Licensee is required to visit the premises for resending the bill physically only

Correct Answer:- Option-B

Question42:-According to the Kerala Supply Code (including amendments), which of the following is *mandatorily* required to be displayed in every electricity bill provided to a consumer?

A:-Consumer's insurance policy status

B:-Electrician contact list

C:-Security deposit held by the licensee for that consumer

D:-Local MP's mobile number

Correct Answer:- Option-C

Question43:-A consumer receives a statutory notice for disconnection due to unpaid dues. After serving the written notice of at least 15 clear days, what additional action is now required by the licensee before physically disconnecting the supply (as per the latest amendments)?

A:-No further action is needed

B:-The licensee must visit the premises in person for last warning

C:-The licensee must send a reminder (SMS/e-mail/voice call) at least once within 48 hours and no less than 12 hours before disconnection

D:-The local police must be notified

Correct Answer:- Option-C

Question44:-If a consumer requests dismantling of their service connection, what condition must be satisfied before the licensee proceeds with removal and final termination?

A:-Supply is dismantled only upon court order

B:-All dues must be paid by the consumer

C:-Consumer must forfeit the security deposit

D:-Dismantling is done at no cost to the consumer

Correct Answer:- Option-B

Question45:-A consumer's service was disconnected for non-payment and they later clear all dues. According to the latest code, what is the maximum time within which the licensee must restore the supply?

A:-Within 12 hours

B:-Within a week

C:-Only after the next meter reading date

D:-Within 6 office hours after payment and completing formalities

Correct Answer:- Option-D

Question46:-The meter, which shall be connected to the same core of instrument transformer to which main meter is connected and shall be used for accounting and billing of electricity in case of failure of main meter is

A:-Energy Accounting and Audit Meter

B:-Stand by Meter

C:-Check Meter

D:-Interface Meter

Correct Answer:- Option-C

Question47:-All interface meters installed at the points of inter connection with Inter-State Transmission System (ISTS) for the purpose of electricity accounting and billing shall be owned by

A:-State Transmission Utility (STU)

B:-Central Transmission Utility (CTU)

C:-Either STU or CTU

D:-The respective licensee

Correct Answer:- Option-B

Question48:-The testing of consumer meters shall be done at site through accredited test laboratory at least once in _____ years and recalibrated if required.

A:-3

B:-5

C:-7

D:-10

Correct Answer:- Option-B

Question49:-In a transmission system between substations of two different licensees, the location of main meter shall be

A:-At sending end of the line

B:-At receiving end of the line

C:-Either at sending end or receiving end

D:-At both ends of the line

Correct Answer:- Option-D

Question50:-As per CEA (Installation and Operation of meters) Regulations 2006, accuracy class of interface meters shall be

A:-0.2

B:-0.2S

C:-0.5

D:-0.5S

Correct Answer:- Option-B

Question51:-As per CEA (Installation and Operation of Meters) Regulations 2006, all consumer meters shall have data storage capacity for at least _____ days in a non volatile memory.

A:-10

B:-15

C:-30

D:-35

Correct Answer:- Option-D

Question52:-As per CEA (Installation and Operation of Meters) Regulations 2006, accuracy class of meters in transmission system shall not be inferior to that of _____ accuracy class.

A:-1

B:-0.5

C:-0.2S

D:-0.5S

Correct Answer:- Option-C

Question53:-In case of 3 phase, 4 wire system, the consumer meter shall keep working, even in the absence of

i. Neutral and any one phase

ii. Any two phases

A:-Only i is correct

B:-Only ii is correct

C:-Both i and ii are correct

D:-Both i and ii are incorrect

Correct Answer:- Option-C

Question54:-Which of the following statements about Consumer Meters are incorrect?

- i. The consumer meter shall work correctly irrespective of the phase sequence of supply.
- ii. In case of 3 phase, 3 wire meter, if reference Y phase is removed, the meter shall not continue to work.
- iii. The accuracy class of direct connected consumer meters for voltages up to 650 V shall be 0.5.
- iv. The Consumer meter shall be installed by the licensee either at the consumer premises or outside the consumer premises.

A:-i, iv

B:-ii, iii

C:-ii, iv

D:-ii, iii, iv

Correct Answer:- Option-B

Question55:-Consumers, who have inter connection with the inter-state transmission system or Intra-State Transmission System and have been permitted open access by the appropriate commission shall be provided with

A:-Interface meters

B:-Energy Accounting and Audit Meters

C:-Check Meters

D:-Standby Meters

Correct Answer:- Option-A

Question56:-Which of the following is Central Act 36 of 2003?

A:-Indian Electricity Act, 2003

B:-The Electricity Act, 2003

C:-The Electricity Supply Act, 2003

D:-Central Electricity Act, 2003

Correct Answer:- Option-B

Question57:-Appointment of Electricity Ombudsman in the State is as per which section of the Central Act 36 of 2003?

A:-Subsection (1) of Section 181

B:-Subsection (7) of Section 42

C:-Subsection (6) of Section 42

D:-Section 161

Correct Answer:- Option-C

Question58:-Consumer Grievance Redressal Forum (CGRF) is constituted by

A:-Distribution Licensee

B:-State Government

C:-Electricity Ombudsman

D:-Kerala State Electricity Regulatory Commission

Correct Answer:- Option-A

Question59:-Which of the following statements is/are true in case of CGRF?

i. Kerala State Electricity Regulatory Commission appoints all its members.

ii. Licensee appoints all its members.

iii. All members shall have working knowledge in Malayalam.

iv. Minimum number of its members is three.

A:-iv

B:-i

C:-ii and iv

D:-ii and iii

Correct Answer:- Option-D

Question60:-Form B in the Regulation is meant for

A:-Filing a complaint with Ombudsman

B:-Filing a complaint with CGRF

C:-Filing a complaint with Licensee

D:-None of the above

Correct Answer:- Option-A

Question61:-Which among the following cannot be given as a grievance to the CGRF?

A:-Errors in billing

B:-Charging a tariff in excess of that fixed by the commission

C:-Unauthorised use of electricity

D:-All the above

Correct Answer:- Option-C

Question62:-Which among the following can give complaint to ombudsman?

A:-State Government

B:-Residents association of an apartment

C:-Power generating company

D:-1 and 2

Correct Answer:- Option-D

Question63:-The Expenditure of the CGRF is met by

A:-The distribution licensee

B:-Kerala State Electricity Regulatory Commission

C:-State Government

D:-None of the above

Correct Answer:- Option-A

Question64:-Find the true statement related to Electricity Ombudsman

A:-May be an engineer of any stream

B:-Shall have working knowledge in Malayalam

C:-Age limit is 60 years

D:-State Government makes the appointment

Correct Answer:- Option-B

Question65:-Which of the following action by the CGRF on admission of a complaint, is against the Regulation?

A:-Rejecting a complaint in the event of absence of the parties in the hearing

B:-Forwarding a copy of the complaint to the distribution licensee

C:-Informing the parties the date of hearing in advance

D:-Calling the consumer for taking oral evidence

Correct Answer:- Option-A

Question66:-The KSERC disposes the appeal petition as per

A:-Kerala State Electricity Supply Code 2014

B:-KSERC (Conduct of Business) Regulations, 2003

C:-The Consumer Protection Act, 1986

D:-All the above

Correct Answer:- Option-B

Question67:-Who can amend the KSERC (CGRF and Electricity Ombudsman) Regulations, 2005?

A:-State Government

B:-Central Government

C:-Kerala State Electricity Regulatory Commission

D:-Central Electricity Regulatory Commission

Correct Answer:- Option-C

Question68:-Ombudsman may reject the representation of a complainant if

A:-The complainant has not made a representation to the CGRF

B:-The representation is vexatious

C:-1 and 2

D:-Representation is made after 30 days of the order of the CGRF with sufficient cause for delay

Correct Answer:- Option-C

Question69:-Which procedure is not correct when the Electricity Ombudsman Settled a complaint through mediation?

A:-Obtained written request from complainant and licensee

B:-Ombudsman made recommendation

C:-Copies of recommendation sent to complainant and licensee

D:-Recommendation made after 40 days from the date of the receipt of the complaint

Correct Answer:- Option-D

Question70:-Which is/are correct in the proceedings of the CGRF?

i. Shall not be conducted in public.

ii. Shall be conducted by the Chairperson in the presence of members.

iii. Cannot be conducted in the absence of Chairperson.

iv. Every order made shall be signed by the Chairperson and members.

A:-Only i

B:-Only iii

C:-ii and iv

D:-iii and iv

Correct Answer:- Option-C

Question71:-The object of check measurement is

A:-To satisfy that the measurements are as per the estimate of the work

B:-To detect errors in measurements and to prevent fraudulent entries

C:-To confirm that the officer who has taken the measurements has not omitted any item of work

D:-None of the above

Correct Answer:- Option-B

Question72:-Which of the following charges does not come under Percentage charges?

A:-Storage charges

B:-Establishment charges

C:-Tools and plant charges

D:-Pensionary charges

Correct Answer:- Option-A

Question73:-Which one of the following statement is false?

A:-Register of works are posted monthly from work Abstract

B:-Register of works is a permanent and collective record of the expenditure incurred in the division during a year on each work

C:-There are two forms of Register of works

D:-Register of works is the basic record from which the work abstract is posted monthly

Correct Answer:- Option-D

Question74:-All intermediate payments made to the contractor in respect of a Lumpsum contract are treated as

A:-On Account payment

B:-Final payment

C:-Advance payment

D:-Part payment

Correct Answer:- Option-C

Question75:-Detailed measurements of the work done are not required to be recorded except in respect of additions and alterations in the case of

A:-Works awarded in emergency cases

B:-Percentage rate contracts

C:-Lumpsum contracts

D:-Item rate contracts

Correct Answer:- Option-C

Question76:-The Account relating to contracts should be kept in the KPW Form 41 is known as

A:-Contractor's Ledger

B:-Work abstract

C:-Register of works

D:-Agreement register

Correct Answer:- Option-A

Question77:-Sanction from the following authority is required for arrangement of works on Lumpsum contract

A:-The Government

B:-Chief Engineer of the concerned wing

C:-The Accountant General

D:-Divisional Officer

Correct Answer:- Option-A

Question78:-Under Lumpsum contract

- i. Detailed measurement of work done are required to be recorded
- ii. Detailed measurement of work done are not required to be recorded
- iii. Detailed measurements for additions and alterations are required
- iv. Detailed measurements for additions and alterations are not required

A:-Statement i and iii are correct

B:-Statement ii and iii are correct

C:-Statement i and iv are correct

D:-Statement ii and iv are correct

Correct Answer:- Option-B

Question79:-An amount withheld from Contractor's bill towards security is accounted under

A:-Concerned Expenditure Head

B:-MPWA

C:-PW Deposit Head

D:-None of the above

Correct Answer:- Option-C

Question80:-Deposits credited to Government as Lapsed or confiscated under the provisions of an agreement cannot be repaid without the pre audit of the

A:-Accountant General

B:-Government

C:-Chief Controlling Officer

D:-Divisional Officer

Correct Answer:- Option-A

Question81:-Sub Head of a work means

A:-Sub divisions into which the total cost of work is divided for financial control

B:-Several description of work that have to be executed in the course of construction or maintenance of a work

C:-Various stages in the execution of a work

D:-All the above

Correct Answer:- Option-D

Question82:-Maximum time permissible for the scrutiny of a work bill in the Division office and passing the same for payment is

A:-Within two weeks from the date of measurement of the work

B:-Within one month from the date of measurement of the work

C:-Within one month from the date of receipt of bill in Division office

D:-Within one month from the date of preparation of bill in the section office after measurement of work

Correct Answer:- Option-C

Question83:-A Register maintained in a division office with the object to get an analysis of cost of sub works and sub heads, the rate of cost of work and to foresee possible excess over estimate is

A:-Work abstract

B:-Register of works

C:-Contractor's Ledger

D:-Subsidiary Work Accounts

Correct Answer:- Option-B

Question84:-All items of Receipts, the classification of which cannot at once be determined is held as

A:-Revenue Deposit

B:-Miscellaneous PW Advances

C:-Lapsed Deposit

D:-Miscellaneous Deposit

Correct Answer:- Option-D

Question85:-Deposits which does not pass through regular accounts of the Division

A:-Cash deposits of Contractors as security

B:-Interest bearing securities

C:-Deposits for work to be done

D:-Miscellaneous Deposits

Correct Answer:- Option-B

Question86:-Which of the following statements is/are correct?

i. If the new work costs more than the original cost of work which replaces the whole cost should be first taken to original work.

ii. If the new work does not cost more than the original cost of the dismantled portion, the difference between the two will be written off the capital accounts, where they are kept and the entire cost of the new work charged under 'repairs'.

A:-Only i is correct

B:-Only ii is correct

C:-Both i and ii are incorrect

D:-Both i and ii are correct

Correct Answer:- Option-D

Question87:-Which of the following statements is/are correct?

i. All works require the administrative approval of Government in the Department concerned in consultation with the Finance Department.

ii. Approved plans countersigned by the Head of Department can be altered.

iii. Approved plans countersigned by the Head of the Department should not be altered without the sanction of Government.

A:-i and ii are correct

B:-Only iii is correct

C:-i and iii are correct

D:-All are correct

Correct Answer:- Option-C

Question88:-Which of the following statements is/are correct?

i. The responsibility of the technical features of a design lies with Head of Department.

ii. In the case of major works, technical sanction to the estimates should be issued only if such estimates are prepared based on data gathered through detailed investigation such as soil investigation, feasibility study etc.

A:-Only i is correct

B:-Only ii is correct

C:-Both i and ii are correct

D:-Both i and ii are incorrect

Correct Answer:- Option-B

Question89:-Which of the following statements is/are correct?

i. White washing of public work building causes under the purview of ordinary repairs.

ii. New coating of metal on a road comes under the purview of ordinary repairs.

iii. Re-roofing of a public work building comes under the purview of ordinary repairs.

A:-i and ii are correct

B:-All are correct

C:-Only iii is correct

D:-ii and iii are correct

Correct Answer:- Option-A

Question90:-Which of the following statements regarding e-tendering is/are correct?

i. The bidder shall submit their bid online only through the e-GP Website of Kerala.

ii. Re-submission or modification of bid by bidders for any number of times before the date and time of submission is allowed.

iii. Tender fee remitted can be returned to unsuccessful bidder.

A:-All are correct

B:-Only i is correct

C:-Only i and ii are correct

D:-Only i and iii are correct

Correct Answer:- Option-C

Question91:-If the bid is being submitted by Joint Venture/Consortium/Partnership of two or more firms, the party enter into correspondence with the employer is

A:-All members of the firm

B:-One senior member in the firm

C:-An authorised lead partner holding a valid power of attorney to do so

D:-One or two members who are appointed by the employer

Correct Answer:- Option-C

Question92:-The person responsible for reporting to the Public Works Department when mortuaries and hospital buildings requires Repairs and Maintenance?

A:-District Medical Officer

B:-Superintendent of Medical College

C:-Administrative Wing

D:-Public Works Department

Correct Answer:- Option-A

Question93:-Which of the following statements is/are correct regarding estimates?

- i. In order to eliminate the delay in execution of works, the officer who is competent to issue technical sanction for the work, should conduct a detailed inspection of the site.
- ii. A realistic assessment of the total time required for the completion of the entire work must be arrived at.
- iii. A certificate "inspected the site by me on" should be furnished in the estimate.

A:-Only i is correct

B:-Only ii is correct

C:-Only iii is correct

D:-All are correct

Correct Answer:- Option-D

Question94:-Which of the following statements is/are correct regarding Muster Roll?

- i. Muster Roll is the initial record of the work done each day.
- ii. K.P.W. 21 is the form of Muster Roll.
- iii. A Register of Muster Roll kept in Sub Division should be checked 100% of entries by Divisional Accountant.
